

UPDATE YOUR LAMINAR FLOW

WITH OUR "NEW FOR OLD" PROMOTION, YOU CAN UPGRADE YOUR CURRENT CHANGE STATIONS OR BIOSAFETY CABINETS SUSTAINABLY AND AT A DISCOUNTED PRICE.

If your facilities Change Stations or Biosafety Cabinets are older than 10 years, you can benefit from our promotion:

- Upgrade your previous generation Change Station to an ARIA
- Upgrade your BS48/60's to our ARIA TECH48/60

Accessories not included

Why choose our Change Stations and Biosafety Cabinets?:

- 50% reduction in power consumption
- 50% reduction in heat load emissions
- Outstanding reduction in CO2 footprint
- Latest generation equipment options
- Spare parts are readily available
- Improved ergonomics

Compared to INTERACTIVE's
