## **Michael Mondo appointed Tecniplast USA Inc. President & CEO**

**West Chester, Pennsylvania**– Tecniplast USA Inc, is pleased to announce the appointment of Michael Mondo as the organization's next President and CEO on September 20<sup>th</sup>, 2021.

Mondo holds both a BS in Mechanical Engineering and a Master's in Business Administration. He brings with him over 23 years of experience in the Life Science industry. Of those, 16 years were spent working directly in the Lab Animal Science market. Prior to his current role as the Vice President of Sales at AeroSafe Global, where he serviced the cold chain needs in the pharmaceutical marketplace, he was the Regional Vice President at Getinge USA. This is where he led the sales and service teams in the Lab Animal, Pharmaceutical, and Healthcare spaces.

*Mondo said, "I'm honored to become part of the Tecniplast family and have large shoes to fill with the retirement of Marco Carrara. I'm equally excited to return to the Lab Animal Science Market and build on what Marco and the rest of the North American team has built. I look forward to engaging with our customers to continue to drive innovation together and remain a top leader in the industry."*

*"We are thrilled to have Mike Mondo on board now and together with him we look forward to further strengthening the North American organization, consolidating customer interactions and enhancing equipment & service sales within the Animal Research community"* commented Edoardo Bernardini, Director at Tecniplast USA Inc.

*Tecniplast has more than 70 years of experience in the design, manufacture and distribution of specialized housing products and other related equipment for the laboratory animal industry. There are headquarters in Europe and North America (USA & Canada), as well as seven subsidiaries around the world. Tecniplast USA was founded in 1999 and is currently located in West Chester, Pennsylvania.*
